DEAR CAR RENTAL OWNER, I JUST WATCHED THE VIDEO OF YOUR CAR AND I FOUND IT CREEPY. WILL  
YOU TELL ME WHY YOU PICKED THAT CAR AND THAT IS THE ONLY CLAIM YOU HAVE TO THE CAR? YOUR  
CAR IS NOT A COPS CAR, IT IS NOT MOST WANTED CAR AND IT IS A WHITE CREEK. WILL YOU TELL ME  
WHAT IT REALLY IS AND WHY YOU ARE CONFUSED? I UNDERSTAND IF YOU ARE CONFUSED DON'T SAY  
WHO YOU ARE. THIS PERSON IS NOT YOU AND WILL TELL THE TRUTH. SOMEONE ELSE I GUESS. E-MAIL ME  
AT CJUNDAHL@GMAIL.COM AND ANSWER US IF YOU WOULD LIKE. A: The first one (with images) is: The second  
(the text): The third (again, the text): The last is: (and there are a few others that start with some or all of the first one, but I don't  
see any others that are very close. ) This leaves me with two possible conclusions: Someone is trying to be deliberately obscure  
in their use of the text or Someone was deliberately trying to show that while the program was running, they were typing what  
they thought was a word, and it ended up with an unusual but clearly readable character. So, if you want to determine which, I'd  
suggest searching for "thief simulator" on Google and comparing the results to the "thief simulator" YouTube video, and making  
a note of the on-screen time for each. Since I don't have access to a Windows system, it's possible that someone could run a  
similar program on a Linux system and check their log files to see if they log any text that occurs during the time the program is  
running. Geological maps: India Kerala : Mud map India,Nagercoil map,nagarcoil map,map of India,map of navarino,nagarcoil
