It stars Ajay Devgn, Asin Thottumkal and Nana Patekar in the lead roles, and introduces Tusshar Kapoor and Randeep Hooda. The film was released on 14 December 2012 and grossed over. Plot Rowdy Rathore is a tale of 3 individuals with a multitude of personalities; Sushant (Ajay Devgn) a post-graduate student in Kashmir, who is a debonair, loveable rogue; Hamir (Riteish Deshmukh) a well-settled and principled police officer who has no qualms in hunting down criminals and third Jai (Nana Patekar), who is a talented artist whose mind is frozen in the fifties. Sushant is in love with his classmate, Pooja (Asin Thottumkal), who is the only girl in the class of 18, but he keeps on getting reprimanded by her father, a highly respected army officer and the divisional director of the local region. Pooja, on the other hand, is a tomboy who thinks nothing of having sex with anyone. After having sex with Sushant one evening, she is embarrassed to tell her family and calls Sushant a 'shameless thief' in front of the whole class. Unaware of the incident, Pooja meets Jai, and falls in love with him, but is left disgusted after a series of pranks he plays on her. Sushant, who is aware of Jai's love for Pooja, conspires with her father to drive her out of his house. With Pooja's father out of the way, Sushant is finally free to woo Pooja. Sushant, Jai and Hamir all plan to rob a bank on Diwali eve. Sushant uses the money to woo Pooja and on a deserted, far-off road they decide to have sex. While they are about to have sex, Jai drives the car off a cliff into a river. The police find his dead body a few days later, but not before Sushant and Pooja are married and after a lot of heartbreak, Pooja and Jai decide to run away together. Jai goes to meet his friend Hemant (Tusshar Kapoor) and brings him to meet Pooja. As they are about to leave, they are discovered by a gangster and a shootout ensues, which ends with the death of 82157476af
